

The Revelation of Jesus Christ (Chart 6)

The Process of Revealing All that Jesus Christ Is

1

Before anything existed, the Father wrote the complete history of sin. He included Lucifer's fall and the history of every person who would receive life. Using omniscient foreknowledge, He blotted out the names of all who would refuse the terms and conditions of eternal life - even before they were created. The names remaining in the book will inherit eternal life because they responded to the Holy Spirit. Because the information in the Book of Life could damage the government of God forever if exposed prematurely, the contents were secured with seven seals until the time comes for full disclosure.

The Father perfectly sealed up the scroll with seven seals so the contents could not be changed or revealed until the end of the 7th millennium. At that time, the Father will divulge everything He foreknew about the rise of sin. He will prove beyond question that He did not predestine some of His children for life and some for death. Throughout the endless ages of eternity, those who submitted to God's offer of salvation will compare God's actions during the existence of sin with actual events recorded in Heaven's books of record.

Daniel & John saw Jesus...

God revealed to his prophets, Daniel and John, a very important event in Heaven. Although their visions were about 600 years apart, they saw the same event.

Both prophets were zoomed forward in time (to 1798) to see a highly important event concerning the Plan of Salvation. (The date of this event is confirmed by linkage between this Heavenly event and the fall of the little horn power on Earth. See Daniel 7:21,22) The glorious event they saw was the coronation of Jesus as Sovereign God. (Daniel 7:13,14) As Sovereign God, Jesus received all power and authority from the Father to conclude the Plan that was laid before the foundations of Earth. Jesus alone was found worthy to conclude this matter because He is the only person in all the universe who is qualified to both exonerate the government of God from the false allegations of Lucifer and serve as the Judge of sinners.

In 1798, Jesus received the book sealed with seven seals. As He breaks each seal, a new revelation about the Sovereignty of Jesus is sent throughout the Earth. This process is called "The Revelation of Jesus Christ." In 1844, Jesus opened the third seal and the revelation of Jesus presiding as man's judge in a pre-advent judgment began. The next seal to be broken open is the fourth seal.

Daniel Saw:

1. Thrones Set in Place
2. Jesus Brought Before the Father
3. Jesus Given Sovereign Power, Authority and Glory
4. Court Seated
5. Books Opened

John Saw:

1. 24 Thrones Assembled around the Father
2. The Lamb Found Worthy
3. The Lamb Receiving the 7 Attributes of Divinity
4. The Sealed Book Handed to Jesus
5. The Opening of the Seals Begin

Points to Consider:

1. Day of Atonement - High Priest Alone Serves (But, High Priest Must Receive Approval before Officiating)
2. Third Seal Concerns Judgment
3. The Destruction under the Fourth Seal Reveals the Sovereign Authority of Jesus
4. Purpose of "The Great Tribulation" is to Test Mankind

The Glory of Jesus Revealed

Sabbath Millennium

At the appointed time (5th trumpet) the devil physically appears claiming to be God. He leads the wicked to kill God's people who hold to Bible truth.

At the appointed time in 1798, Jesus was found worthy to receive the book sealed with seven seals from the right hand of the Father. After Jesus receives the book, John thereafter identifies it as "The Lamb's Book of Life." As Jesus breaks open each seal, a new revelation about Jesus goes throughout Earth.

Before creation, God designated certain angels to maintain a complete history of everything that happens on Earth. The deeds of every person are accurately recorded in the books of deeds. The record is more accurate than the lens of a video camera, for the motives are also recorded! During the pre-advent judgment, God uses the records written in the books of deeds to decide each case of those who have died.

Deeds

At the end of the 1,000 years, the last seal will be broken and the contents of both books will be shown to be identical. This will prove four things: First, the Father foreknew the problem of sin. Second, everyone was judged on the basis of their choices. Third, Jesus is as fully God as is the Father. Fourth, God's government is based on love toward His creatures and He is worthy of complete trust.
